

A Place to Call Home

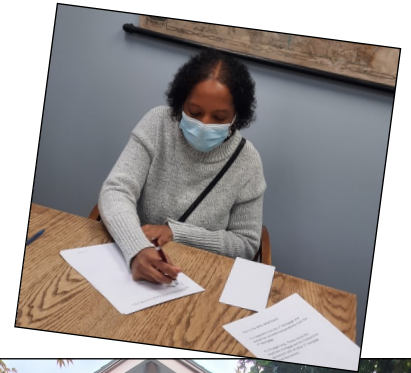

Each year, after putting in at least 200 hours of work on Habitat houses, up to four families will achieve homeownership through our program. Thanks to the generosity of donors, volunteers, and local businesses like you, more and more families will have a safe, affordable place to call home.

INDIVIDUAL LEVELS OF GIVING

Anyone can be a Habitat Hope Builder! Any amount of support is needed to make homeownership a reality for more local families already enrolled in our program and awaiting homes.
